## Scholarship Criteria

Scholarships offered through the OSU-Cascades Campus Foundation are for admitted degree-seeking students at OSU-Cascades, who have a 2.50 GPA or higher, and are enrolled in a certificate or degree program. Most scholarships require full-time (12 credits) attendance each term.

Evaluation of the scholarship application information will be done by a committee composed of faculty, community members and OSU-Cascades staff. Most scholarships are awarded for one academic year and students must re-apply each year; some scholarships are automatically renewable if the conditions of the award are met by the student. Most scholarships range from \$300 to \$1000 per academic term. Students enrolled in OSU-Cascades degree programs can apply for scholarships in the following areas:

## Financial Need

While not all OSU-Cascades scholarships are dependent upon financial need, most include a financial need assessment. In order to accurately assess student financial need, we **require an official Expected Family Contribution (EFC)**. The EFC is calculated by the Department of Education after processing your FAFSA. Enter the EFC from your 2008-2009 Student Aid Report (SAR) and attach a copy of the page showing your EFC. You may request a duplicate copy by calling 1-800-433-3243. If you have a PIN from the Department of Education, you can access the information on the internet at [www.fafsa.ed.gov](http://www.fafsa.ed.gov). If you need a PIN, you may request one at [www.pin.ed.gov](http://www.pin.ed.gov).
