Scholarship Criteria

Scholarships offered through the OSU-Cascades Campus Foundation are for admitted degree-seeking students at OSU-Cascades, who have a 2.50 GPA or higher, and are enrolled in a bachelors degree program. Most scholarships require full-time (12 credits) attendance each term. *Scholarships awarded to juniors and seniors require enrollment in at least one OSU or UO course at Cascades each term.*

Evaluation of the scholarship application information will be done by a committee composed of faculty, community members and OSU-Cascades staff. Most scholarships are awarded for one academic year and students must re-apply each year; some scholarships are automatically renewable if the conditions of the award are met by the student. Most scholarships range from \$300 to \$1000 per academic term. Students enrolled in OSU-Cascades degree programs can apply for scholarships in the following areas:
