

Oregon State University-Cascades Campus

Career Services Spring Workshops

Landing a Job in Today's Economy

*"Becoming a Lifelong Career
Manager"*

Update Your Resume

Does your resume say "Read Me"? Is it current? Can you identify the 5 most common resume formats that can help you land a job? Whether this is your first resume or your 25th, learn how to develop a resume that will market your skills and experience, and generate interviews for the jobs you want!

April 18, Sat. 9-10:30 am and May 16, Sat. 9-10:30 am

Find a Job Now!

Do you know why some people get interviews and others don't? Learn **HOW** to job seek in today's vulnerable economy. Included in this workshop is an introduction to *InterviewStream*, our newest video technology to help you practice your interviewing skills on campus or off. It's free!

April 18, Sat. 10:30 am-12 and May 16, Sat. 10:30 am-12

***Reservations Required by Thursday 12pm for
Each Workshop***
