- In the future we can reverse our decision if funds have not yet been disbursed.
- If funds have been paid, we have no real recourse.
- So how can we prevent this in the future?
- Potentially having a member check these kinds of things out in the future.
- What if we get a list of COCC clubs and intramurals so we can be on top of this kind of things?
- Chelsie will take a look at what is published regarding what is offered, as well as email Bill Douglas if need be.

- We go to Sandy Franklin regarding policy questions if that comes up.

- Beginning of winter term gets busy with our annual budget hearings. We will be holding public hearing. We will need to contact clubs, set-up hearing, etc. This won't be until late Jan., but we need to start thinking about it.
