OSU ID: \_\_\_\_\_

## General Business Option

### **Important Numbers:**

- 180—total number of credits required to graduate from OSU
- 60—number of upper division credits required
- 124—maximum number of credits which can be transferred from a community college
- 45 of last 75 credits must be OSU credits

### **Bacc Core Requirements:**

- If admitted as a freshman: Writing I, Mathematics & Speech must be completed within first 45 credits. Writing II must be completed within first 90 credits.
- If admitted as a transfer: WR II, Mathematics & Speech must be completed within the first 45 credits as an OSU Cascades student.

### **Specific GPA requirements exist for the OSU College of Business:**

- Students must receive a C- or better in each transferred course (COCC included) used to meet a business program requirement.
- An overall 2.5 GPA is required in OSU BA courses, and each course grade must be at least a C-.
- Students may only re-take a business core course one time (two takes total) unless special approval is given.
- If a business core course was first taken at OSU and needs to be retaken, it must be retaken at OSU.
- Transfer courses (including COCC) can be repeated at any institution.
- Students taking Upper Division Business courses must apply to Professional School. To be eligible to apply for the Professional School, students must have completed 90% of the pre-business core course, have a minimum GPA of 2.5, and no grade lower than a C-.

### **Important Notes:**

- It is the student's responsibility to make certain that all prerequisites are met or advisor permission is granted for courses that require one or both of these conditions.
  - It is the student's responsibility to double check that all requirements are met. The advisor can suggest courses and assist the student in constructing a plan of study, but the student, in the end, is responsible for assuring all requirements for graduation are met.

**The College of Business at Oregon State University-Cascades Campus** is a student-centered learning environment that provides students with the professional preparation necessary for successful careers in modern business and management. The curriculum is designed to provide you with the personal and professional skills needed to further an organization's goals and objectives. Emphasis is placed not only upon the concepts and analytical techniques of business decision-making, but also upon the obligations and opportunities of business people for effective service to society. With courses offered in the School of Commerce in 1908, OSU was one of the first schools in the United States to provide a business curriculum. The rich heritage of business education at OSU continues today. The undergraduate program in business is accredited by AACSB - The International Association for Management Education.
