2007-2008 Advising Guide for Business General Business Option NEW REQUIREMENTS**

**** The Business Administration requirements have undergone a significant change for the 07-08 academic year. Freshman in 07-08 must complete the new requirements. Sophomores in 07-08 can choose either the old or new requirements. Juniors and seniors in 07-08 should choose the old requirements. This advising guide reflects the new requirements.**

Important Numbers:

- 180—total number of credits required to graduate from OSU
- 60—number of upper division credits required
- 124—maximum number of credits which can be transferred from a community college
- 45 of last 75 credits must be OSU credits

Specific GPA requirements exist for the OSU College of Business:

- Students must receive a C- or better in each transferred course (COCC included) used to meet a business program requirement.
- An overall 2.5 GPA is required in OSU BA courses, and each course grade must be at least a C-.
- Students may only re-take a business core course one time (two takes total) unless special approval is given.
- If a business core course was first taken at OSU and needs to be retaken, it must be retaken at OSU.
- Transfer courses (including COCC) can be repeated at any institution.
- Entrance into the business program at Cascades beginning Fall 2009 will require a 2.7 (or B-) GPA average in all business core courses.

Important Notes:

- It is the student's responsibility to make certain that all prerequisites are met or instructor permission is granted for courses that require one or both of these conditions.
- It is the responsibility of the student to continuously audit his/her program for successful completion of requirements.

The College of Business at Oregon State University-Cascades Campus is a student-centered learning environment that provides students with the professional preparation necessary for successful careers in modern business and management. The curriculum is designed to provide you with the personal and professional skills needed to further an organization's goals and objectives. Emphasis is placed not only upon the concepts and analytical techniques of business decision-making, but also upon the obligations and opportunities of business people for effective service to society. With courses offered in the School of Commerce in 1908, OSU was one of the first schools in the United States to provide a business curriculum. The rich heritage of business education at OSU continues today. The undergraduate program in business is accredited by AACSB - The International Association for Management Education.
