

TOL Curriculum Guide (New Program) International Ecotourism Option

All required College of Forestry courses (or substitutes for them) must be completed with a grade of C- or higher. S/U grading cannot be used for courses meeting major requirements (it can be used in Bacc Core courses). Students must meet the following program requirements and have at least 180 credits for the BS in TOL.

This must include 60 upper division (UD) credits; 45 of the last 75 credits must be OSU credits. Any student not meeting the OSU foreign language admissions requirement must complete two terms of the same college-level foreign language with a grade of C- or higher.

COCC course that meet Bacc Core requirements are at http://oregonstate.edu/dept/admindb/arttable/scr1140_003188.htm

Shaded courses meet both Bacc Core and TOL Core (program) requirements.

See course catalog and/or TOL Course Availability Guide for pre-requisites.

Information current as of 9 Aug 07, but is subject to change.

As courses are completed, enter the number of credits in the appropriate column (LD=100-299, UD=300-499).

Do not include credits for FOR courses with a grade below C-.

Name		LD+UD	UD
Total completed credits		0	0
Minimum remaining credits (need min. 180 total, 60 UD)		180	60

Bacc Core
