

SFC Minutes

Location: Cascades Hall, room 105

Date & Time: February 4, 2008

Attendees: SFC Members - Jeff Myers, Cynthia Beckner, Nikki Hoke, Jory Horner, Shawna Rahn, Jacquie Coe, Stacy Curtis; Others – Afton Winner, Rebecca Fender and Ashley Culliton

Note Taker: Stacy Curtis

- 1) OSPIRG: Ashley was there to address the committee's concerns as listed in the budget hearing minutes (guaranteed continuity from year to year, amount of OSU-C students' attending to OSPIRG activities, OSU-C/OSPIRG chapter.)

Her responses to those concerns were as follows:

- (Continuity) Yearly chapter reports from 1 campus organizer to the other (possibly will be her)
- (Attendance) Unsure as no tracking has been done, but informal tracking will be done in the future (possible sign in sheets or some other way)
- Out of her 6 internists, 2 are OSU-C and 1 is U of O
- (OSU-C Chapter) As per OSPIRG main office, if we fund \$4 or \$6 per OSU-C student – then we are a charter (which constitutes their minimum budget)

SFC Decision – Ran out of time in this meeting – tabled until next Monday

- 2) Applications into the SFC from students

- Rebecca Fender – Can start serving this term
- Afton Winter – She has a class this term from 7:45 to 8:30 and therefore wouldn't be able to start serving until spring term

SFC Decision - Email votes to be taken this week and a decision delivered to them once it's made

- 3) Broadside

Looked at budget hearing decision –

SFC Decision – Budget # 3 approved with these stipulations:

- Accuracy survey link and information printed in the broadside
- Bring more copies to OSU-C campus
- Continuation of the “1 OSU-C article per edition” stipulation from last year
- 3 out of the 6 pod-casts each term needs to have some focus on OSU-C items, not just those that involve COCC students (term total of 10-15 minutes)

- 4) Woman's Center

SFC Decision - Budget 2 approved with the following stipulations:

- Scholarships removed, a separate proposal needs to be made
- Conference removed – separate, detailed proposal needs to be made
- \$4,000 approved

- Proposals are encouraged if further funding of activities is needed, or additional activities are added to the agenda

5) Environmental Center proposal from last week

SFC Decision - \$2,000 approved with the following stipulations/suggestions:

- Contact OSU-C Career Services to coordinate letting more students know about internship opportunities (Marina Martinez at marina.martinez@osucascades.edu)
- Apply to COCC for additional funding and source of advertising
