### Topics

#### 1. ASCC Programs

- Our service project for this term would be a clothing drive. Inti in the next 2 weeks will find and wrap 2 boxes to place in campus for students to drop off their donations.
- Amber talked about creating a policy for the leftover money from the Childcare program. The policy will allocate a small portion of the money to those students who did not qualify for the subsidy in the first place.
- Amber will set up a meeting with our volunteers to make sure that they understand our coffee fill and refill schedule.
- We agreed on presenting a proposal to the student fee committee. In the proposal we intend to increase the amount of coffee bags per term and get the money to buy 50 coffee mugs with the ASCC label.

#### 2. Events

##### Rail Jam Competition

- Jessica gave us an update on the Rail Jam Competition for winter term. After meeting with ASCOCC, Jessica is waiting to hear back from them in the next week or two to confirm ASCOCC's participation in the event. Jessica will also email cricket to ask for a description of what exactly is included in the initial price. We also talked about the possible vendors and donors for the event.

##### Civil War Game Day

- Date of the event is set for Thursday, December 3<sup>rd</sup>. Time is to be determined after Breanna confirms availability of the field. Baldy's BBQ will cater the event. Breanna will talk to UO and OSU stores to look for donations (game gear, etc...) for the event to give away to students. We also talked about the possibility of showing the highlights before the game as well as showing the game on campus for those who want to stay and enjoy the game on campus.

##### Civil War Blood Drive

- Breanna will make the reminder calls on Monday night to those who signed up.

- Also, on Monday Nov.9<sup>th</sup> we will try to get more students to sign up to donate blood.
3. In the treasurer's report, Nathalie asked us for our time sheets. Brenna and Inti gave her the latest approved proposals. After getting that information she will update the budget.
  4. Miscellaneous
    - We talked about getting a board for ASCC to post our calendar of events and news. We would like to have the board outside of the student lounge so that more students can see it.
    - Nathalie will create the ASCC Facebook page and will frame the picture from the National Leadership conference.
    - We also talked about a new logo for OSU Cascades Campus to increase the sense of belonging within students. Inti will develop a survey for students so that we can get their opinion in the matter.
  5. Adjournment
    - A. Hearing no other announcements, Jessica adjourned the meeting and announced that the next meeting will be held on Friday, November 13th, 2009 in room 112.
