Want to build your resume and get fabulous hands-on experience? We are currently recruiting for 2007/08 student fee committee positions. Service on this committee involves a commitment of approximately 1 hour/ week at the weekly meetings. The time commitment is a bit higher during the fee request hearings in January (2 hrs/ week). Not only are you building budgeting and civic service skills, but serving on this committee is a fundamental opportunity to shape what services, programs and activities are available for the students on this campus and will create the future legacy of OSU-Cascades.
