

## Sfc meeting

Feb. 25 2011

Members in attendance: Rene Hanson, Danny Williams, Kristen Dubord (Skype), Melissa Crispen (skype), Verenice Alvarez (skype), Caroline Ervin (skype)

918- Marketing group proposal- They want to go to a marketing conference. Some early cost projections were wrong, and that's why they need some more funds. 13 students are going, a few are presenting. The presenters pose a potential conflict with OARs and our guidelines. Also, we can only fund 30% of travel costs.

939- Taran's new camera proposal- Why is the request for 30 tripods and 15 cameras? They already have 15 cameras. The other 15 would be for the 15 they have now, which seems as though it may conflict with our OARs and guidelines. We will table this for further discussion with Andrew.

943- Masters of Counseling proposal for Boise trip- We have some questions about food allowances (like the \$52/student/day). We will table this for further discussion with Andrew. The total they would need would be \$1,150.71

1000- Meeting Adjourned (previous meeting minutes lost on sfc laptop)
